Dear OCC Director:

This letter describes how Enterprise Rancheria plans to use the Child Care and Development Funds (CCDF) awarded under the Coronavirus Response and Relief Supplemental Appropriations Act (CRRSA). We understand that this description will be used for the purpose of informing the Office of Child Care, Administration for Children and Families and Congress how our Lead Agency anticipates using the funds to support the child care needs in our jurisdiction.

We plan to use CRRSA funds for activities in the following categories:

1. **Direct Services/Subsidies**
   - We are going to waive Family Co-Payments for all of our families on our Childcare Program

   - We are going to provide to all of our childcare providers an incentive/retention bonus.

2. **Implementation of Virus Mitigation Policies and Practices**

   - We are giving our Childcare Providers a stipend to purchase cleaning supplies, masks, thermometers, gloves, etc.

   - Contract with a cleaning company to provide a onetime disinfecting service at all of our child care facilities and our Childcare homes.

3. Other

- We are going to purchase Technology to support distance learning for school age children while in child care by purchasing computers or laptops.

- Purchase a computerized child care management system

The Enterprise Rancheria will amend our CCDF plan as a result of activities implemented under CRRSA funding not currently described in the plan, within 60 days of implementation.

Sincerely,

/s/
